Four Against the Bank

SYNOPSIS

Boxer Chris (Til Schweiger), washed up actor Peter (Jan Josef Liefers) and eccentric advertising specialist Max (Matthias Schweighöfer) have been saving for ages - for their lifetime dreams, for the future! Unfortunately bank manager Schumacher (Thomas Heinze) has deliberately let their investment accounts plummet to zero in order to get rid of neurotic investment advisor Tobias (Michael Bully Herbig). Suddenly all four men are left without any perspective. So they come up with a crazy plan ...

DIRECTOR

German director Wolfgang Petersen enjoyed a first huge international success with the tense submarine thriller, DAS BOOT (1981) for which he earned two Academy Award nominations. Shortly after he earned critical acclaim for his children's fantasy film, THE NEVERENDING STORY (1984), which was his first Hollywood production, though filmed in Germany. Petersen continued his Hollywood career with successes like IN THE LINE OF FIRE (1993), OUTBREAK (1995) and AIR FORCE ONE (1997) and the highest budgeted Film TROY (2004) starring Brad Pitt.
