# The Ground beneath my Feet

## SYNOPSIS

Lola, young company consultant, 100 working hours and 5 sports units per week. Conny, her older sister, paranoid schizophrenic and unable to leave the apartment.

Conny swallows 120 sleeping pills and is saved. And Lola does not even tell anyone that she has a sister at all.

## DIRECTOR

Marie Kreutzer was born in Graz, Austria, in 1977 and studied screenwriting at the Film Academy Vienna. Her first feature length film, *THE FATHERLESS*, premiered at the Berlin Film Festival in the Panorama Special sidebar in 2011, receiving Special Mention for 'Best First Feature'. Her second film, *GRUBER IS LEAVING* (2015), was nominated for the Austrian Film Award and won Special Mention as 'Best Film' at the Zurich Film Festival. In 2016, her third feature film *WE USED TO BE COOL* also premiered at the Zurich Film Festival in competition. After finalizing her first TV movie *EMERGENCY LIES* starring Josef Hader in 2017, *THE GROUND BENEATH MY FEET* is Marie Kreutzer's newest feature film as writer and director.
