PITCH

1720 The Great Northern War is over and the victorious Vice Admiral Tordenskiold suddenly has no idea what to do with his life. Is it time to marry and settle down? His valet Kold persuades him to go on a vacation. Their trip turns into a hilarious romp of a road movie through Denmark and Northern Germany. Tordenskiold is asked time and time again to recount his most famous war deed, The Battle of Dynekilen. Women swoon at the sight of him; he is a 1720's version of a modern day rock star. Problems start piling up, as everyone wants a piece of the naval hero. Meanwhile, Tordenskiold just wants a dog.
